WindEnergy Asia-Pacific
The on & offshore event in Singapore
Powered by RECHARGE

The Exhibition

WindEnergy Asia-Pacific 2027 powered by RECHARGE

After a successful premiere of the **RECHARGE Wind Power Summit 2026 Asia-Pacific – powered by WindEnergy Hamburg**, we will take our next step in one of the world's most dynamic growth markets. The **WindEnergy Asia-Pacific 2027 – powered by RECHARGE** will establish Singapore, a major business metropolis in this region, as an additional international meeting place for the industry, providing numerous opportunities for sharing knowledge and experiences and building networks across Asia-Pacific.

Take part as an exhibitor and showcase your solutions to an international audience.
